Field Trip Permission Slip

Dear Parents:

Field trips are an integral and important part of the total learning process. Many times a unit being studied in the classroom can be explored more fully by taking a field trip to the actual area so that the students can see and experience for themselves what it is they are studying. This makes the learning experience more relevant and certainly more meaningful.

Your child is invited to attend a field trip. As a matter of academic protocol, we are informing you of this trip and request your signature of permission for this trip. This experience promises to be a very beneficial academic experience for your child and will be an integral part of this year's curriculum. Please complete the bottom portion of this permission slip and return it to the classroom teacher.

If this is an overnight activity, for the safety of our students, all luggage may be searched by the coordinator of a field trip or by a chaperone designated by him or her.

That they may know Him!

Field Trip Permission Slip

Your child has been invited to attend a trip for overnight at Eden Resort in PA, and attending the new show "Jesus" at Sight & Sound the next day approximately on March 27 & 28, 2018 if tickets are still available for those dates. This trip also includes a visit to outlet malls, and 4 nice meals, including a very nice meal at Shady Maple. I give my son/daughter _____ permission to be a part of this field experience. I understand that **I need to commit by Fri. Oct. 27th** in order for tickets to be purchased since the show is quickly selling out, and once committed, I understand that this trip has to be paid in full even if my child is not able to attend. I understand that the approximate cost of this trip is \$ 250.00, \$20 due by Oct. 27th with this permission slip signed, and the remainder due in installments to be determined later to cover the cost of the activities, hotel and transportation. I will be praying for the trip and support the school in its efforts to provide my child with this type of academic experience.
